

## LANGHE FAVORITA D.O.C.

*Favorita is a grape capable of producing aromatic, fresh, and fruit-rich white wines.*

**Grape variety:** 100% Favorita

**Vineyard location:** Castellinaldo d'Alba

**Alcohol content:** 12,5% - 13%

**Serving temperature:** 8-10°C

**Harvest:** Second half of September

**Vinification:** soft pressing and fermentation of the must at a controlled temperature (14°-15°C) bottling at the end of the year

**Color:** it presents a beautiful straw yellow color

**Bouquet:** the aroma is enveloping and delicate with hints of citrus and linden flowers

**Taste:** it presents itself fresh and delicate with a finish of hay notes

**Pairings:** ideal with both cold and hot appetizers, excellent with all types of fish and seafood
