

NEBBIOLO D'ALBA D.O.C.

Its power, its aristocratic austerity, and its pronounced tannins speak for themselves, as they always have.

Grape variety: 100% Nebbiolo

Vineyard location: Castellinaldo d'Alba

Alcohol content: 13,5% - 14%

Serving temperature: 15-18°C

Harvest: late september

Vinification: after a careful manual selection, the grapes are crushed and left to ferment in stainless steel tanks at a temperature of approximately 30°C

Color: brilliant ruby garnet

Bouquet: it releases a complex bouquet of small fruits, earth, and undergrowth

Taste: it combines elegance with structure, in that blend of harmony and muscularity that represents the deep soul of this great earthly treasure

Pairings: braised and roasted red meats, game, truffle fondue, and agnolotti
